

January, 2010

Dear Friends,

Orchard Friends School is celebrating its 10th Anniversary! I invite you to share our success and continue to help us grow.

The school will hold a dinner auction on Friday April 30th 2010 at the Riverton Country Club on the evening of Friday, April 30th, 2010. The goal of our dinner auction is to raise funds to defray the costs of our very special educational program and assist our school in purchasing a wide array of items needed to support the mission.

Orchard Friends is dedicated to helping children who learn just a bit differently than other children. Sometimes, our children are described as the square peg in the round hole. Often, by the time students reach our school, their edges have been blunted by numerous attempts to 'make them fit'. Here, at Orchard Friends School, we allow each child to reach his/her potential within an academically vigorous but nurturing setting. Each child is valued for the individual gifts which he/she brings to the table of life.

Please support Orchard Friends School and consider joining other businesses and individuals who have already made a donation to our upcoming auction. You may also place an ad in our program book.

If you have any questions or require further information refer to our web site www.orchardfriends.org or contact Karen Pentkowski at 856-786-1123 (kpentkowski@orchardfriends.org). Thank you very much for your consideration and interest.

Sincerely,
